RE: MB Docket No. 15-149

Tom Wheeler
Chairman
Federal Communications Commission
445 12th Street, SW
Washington, DC 20554

Dear Chairman Wheeler,

As a four-term representative of Texas House District 112, I am focused on serving residents and businesses of a diverse section of Dallas County. One of the cities I represent, Richardson, has a substantial technology corridor.

In my roles as Chairman of the House Economic and Small Business Development Committee and as a member of the House Committee on Ways and means, I work to ensure Texas businesses have the tools and policies that keep them strong. The telecommunications industry is vital to my district and state. I know that when a marketplace has a level playing field and freedom for companies to grow and innovate, that consumers win.

Time Warner Cable has provided service to my district by investing in improvements in technology and giving back to the civic life of our community. I am excited about this company's vision of improving customer service by relying less on overseas call centers and more on customer service agents in the U.S. communities in which they do business. I am supportive of policies that will help encourage job growth and economic prosperity in Texas and the entire country.

I appreciate your thoughtful consideration of the proposed merger of Time Warner Cable, Charter Communications, and Bright House Networks. If I may be of any assistance to you, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink that reads "Angie Chen Button".
